Dear scouts and parents

Re: Kontiki Prep Camp:

Kontiki is around the corner and we will be holding a camp from the **26th to the 28th of April** in order to prepare for Kontiki, both land crew and raft crew will use this time in order to make sure everything is ready.

We would like to have as many boys as possible at the camp so that we can build an understanding of Kontiki as well as the structures that will be built at Kontiki. Both land and raft crew will be 'dry building' their respective structures. Attendance at this camp will be considered when deciding who will be on the raft so try to be there.

Pathfinder knots and other items will be tested during this camp. (If you are unsure what items you have passed check on Scouts Digital or contact your Patrol Leader and he will be able to let you know)

Accommodation will be under canvas save in the event of very bad weather, in which case we will make use of the scout hall. The camp will replace the normal Friday evening programme, but scouts who cannot attend the camp are encouraged to attend scouts on Friday night and lend a hand. There will be no cost for this but Friday dinner will not be provided to those who are not attending the camp.

If you are attending please let Simon know by 21h00 on Wednesday 24 April 2019 (Simon.kleer@student.stbenedicts.co.za or 062 805 6688) Potential scouts are welcome to join the camp if they rsvp.
